Insurance:

I am a preferred provider for Pacific Source, Moda and Oregon Health Plan. Many other insurance companies will cover a percentage of my fee as an out-of-network provider, depending on the company and your plan, and I can help you find out more about this.

You may want to call ahead to your insurance company to ensure that your coverage does not require pre-authorization, and to find out your current co-pay and deductible.

Services may be covered in full or in part by your health insurance or employee benefit plan. Please check your coverage carefully by asking the following questions:

- Do I have mental health benefits?
- What is my deductible and has it been met?
- How many sessions per calendar year does my plan cover?
- How much does my plan cover for an out-of-network provider?
- What is the coverage amount per therapy session?
- Is approval required from my primary care physician?

Cancellation Policy:
I require at least 24 hour advance notice to cancel your scheduled appointment or you will be charged for your missed appointment.
